This is an acknowledgement and receipt for the above vehicle donated to No Longer Bound for assistance in their ministry. Your vehicle will be sold in arms length transaction to an unrelated party.

VEHICLES SOLD FOR >\$500

After the sale, we will provide you with 2 copies of IRS Form 1098-C, which will show the gross proceeds from the sale of the vehicle & the date sold. The IRS form *must* be attached to your income tax return to take a deduction from your donation. **We are required by law to include your social security number on the 1098-C form if your car sells for more than \$500.** Without it, we are unable to complete your tax form and comply with the IRS requirements for reporting at year's end.

VEHICLES SOLD FOR <\$500

This donated vehicle receipt is the only receipt you will receive and the only receipt required by the IRS. Please keep it for your records. No Longer Bound does not place an evaluation on your gift. This is the privilege and responsibility of the donor.
